Sir:

In response to the Notice to File Missing Parts mailed on November 28, 2001, enclosed are the formal papers and fees for the above-referenced U.S. Patent Application. Also, as required by the Notice, enclosed is a full set of substitute drawings (in compliance with 37 CFR 1.84).

The margins in the drawings have been revised to meet the requirements. It will be noted that effecting these revisions required certain minor changes to the configurations of the drawings to be made. However, no substantive changes to the drawing contents have been made, and therefore, no new matter is present.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail, in an envelope addressed to: Commissioner for Patents, Washington, D.C. 20231, on this 28th day of February, 2002.
